**TO WHOM IT MAY CONCERN,**

**RE: LETTER OF REFERENCE – A GRADE CONTRACTORS**

It is with great pleasure that I provide this letter of reference for Mr Dirk van der Merwe and his exceptional team at A Grade Contractors who provided invaluable assistance with the renovations, building extensions, and ongoing maintenance of our office premises, as well as residential properties in Centurion.

From the outset, Mr. van der Merwe and his team demonstrated a level of professionalism and commitment that significantly exceeded our expectations. They played an integral role throughout the entire process, from the initial planning and layout design to the precise execution of the construction work. Mr. van der Merwe's expert advice and guidance were particularly instrumental, offering innovative solutions that ensured the project was not only functional but also visually and structurally enhanced. His foresight in addressing details and considerations we had not previously contemplated ensured that every stage of the rebuild was meticulously planned and executed.

A Grade Contractors is an organization that thrives on efficiency and excellence. Mr. van der Merwe and his team consistently worked diligently to adhere to the established timelines, often beginning work early in the morning and working late into the evening to ensure that the project remained on schedule and within the agreed-upon budget. Their unwavering commitment to quality and their exceptional work ethic were evident at every stage of the project. No project is too large or too small to receive the full scope of service and commitment from A Grade Contractors.

The results of their work are a testament to their skill and attention to detail. The construction was completed to an exceptionally high standard, with every aspect executed flawlessly. Since the completion of the project, we have experienced no issues, and the work continues to stand the test of time. Numerous projects have been assigned to A Grade Contractors and have all been performed and concluded to the highest standard. A Grade Contractors truly went above and beyond, delivering results that not only met but far exceeded our expectations.
